

**2019-2020 Leadership Bucks County starts Sept. 24th**

### Experience Leadership Bucks County

*Congratulations to the 26th Class of Leadership Bucks County 2017-2018 Graduates.*

**Leadership Bucks County Mission:** Leadership Bucks County is designed to develop Lower Bucks County business community members to become more effective leaders through personal and professional development of leadership qualities and skills while collaborating with fellow leaders.

**Leadership Bucks County's Vision:** To be an essential investment for the development of leadership skills in the area.

The Chamber invites your company/employer to sponsor an associate in this contemporary, results-oriented program offering **high returns on investment for both sponsors and participants**. The program is entering its 29th year graduating over 400 participants from companies throughout Bucks County.

### Who is responsible for the program?

Leadership Bucks County, held annually, is administered by the Lower Bucks County Chamber of Commerce staff and is facilitated and mentored by program graduates and an active alumni association, all of whom are recognized leaders representing the business community in our region.

*County Commissioners Charles Martin (R), Robert Loughery, (R), and Diane Ellis-Marseglia (D) address the group.*

*Bucks County Community College is one of many host locations.*

## Learn from accomplished leaders

Leadership Bucks County consists of both personal and group discovery through attribute and values indexing as well as the DISC Index which measures your preferred Behavioral style. Together they create the WHAT, WHY and HOW about you! The program also includes reading assignments and discussion devoted to Leadership Styles and Development to enhance personal awareness and effectiveness, communication skills, and the ability to adapt to and connect with others.

Sessions provide a working knowledge of key issues that impact life in Bucks County where participants make business contacts, and acquire valuable references and enhance professional skills, through the topics of:

- *Strategic Capability / Leadership*
- *Project / Crisis / Change Management*
- *Problem-Solving / Ethics/Integrity*
- *Financial Management*
- *People Management*
- *Knowledge Management / Communications*
- *Client Orientation / Customer Focus / Service Delivery Innovation*

Each are priceless advantages for the professional. Take hold of your profession and take advantage of this life-changing opportunity.
